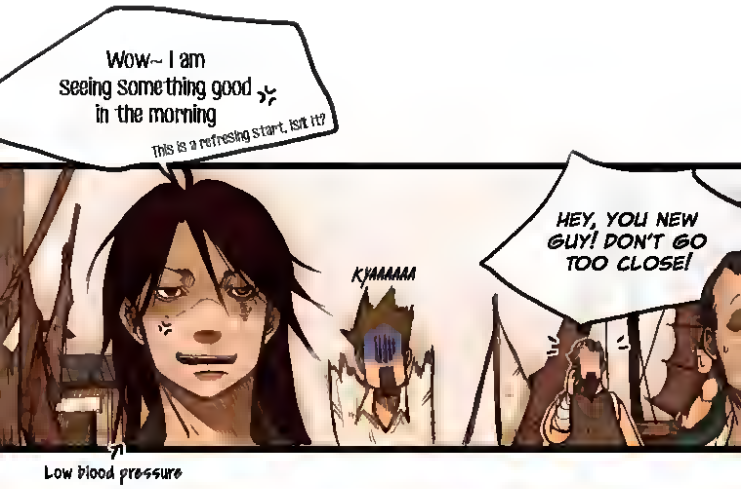
SNOWY OWL



Wow~ I am seeing something good in the morning
This is a refresing start, isn't it?
KYAAAAAA
HEY, YOU NEW GUY! DON'T GO TOO CLOSE!
Low blood pressure

Yes?

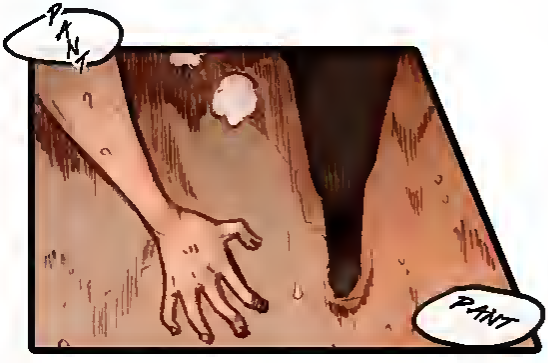
The corpse don't look good. Soon im will explain it...

They don't look good
...The corpse is?

Come to think of it, I didn't recognized it yesterday because things were crazy
This... looks like

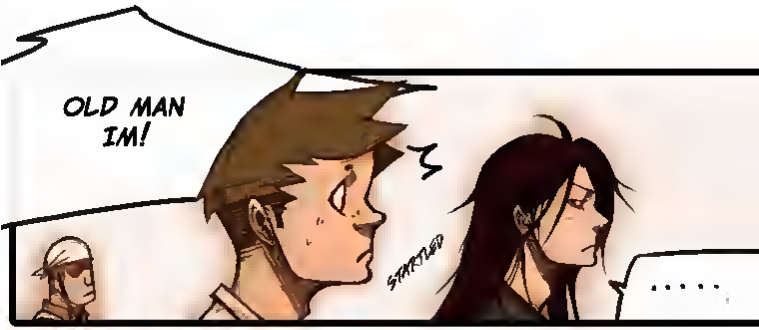
Like an old guy....
No, look clearly

Their blood has
been drained



PANT
PANT

PANT
PANT
PANT



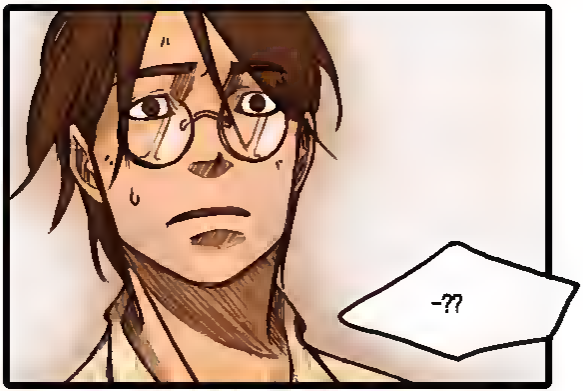
OLD MAN IM!
STARTLED
.....

WHAT HAP-PENED?!

Teacher Hwang!

Ugh...

You, come and talk with me.
—— !!



-??

What?!

You are stopping the construction?!

Yes. That's right
But....

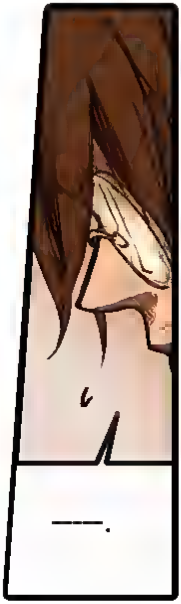
We thought hard about it and came to the conclusion

The workers don't even want to approach the river anymore
And there's a tittle-tatle going 'round the villagers
The reason why the workers died is because...

...because of a plague

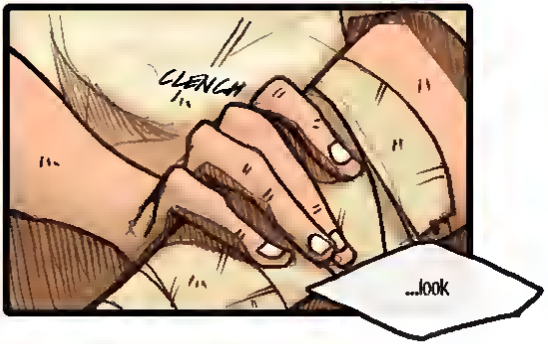
Ahhhh!!
We shouldn't have done this at all?

The Elder was right. We shouldn't have touched the river
WHISPER
Come to think of it, there was a dead snake from the land where we blocked two water ways in the upstream
Is it punishment from the heavens
WHISPER
It is unfortunate
Truly tragic



——.

Uwa, he doesn't look good
Are you okay...?



CLENCH
...look

I'm not feeling too well...

Hey, teacher Hwang! Where are you going?
TURNS AWAY
...Excuse me

...Will he be okay?
Nope, he won't
LEAN?

...Mm?
This guy is really hadmouthing him
I can smell the disgusting fishy smell of water

Over there
and over there

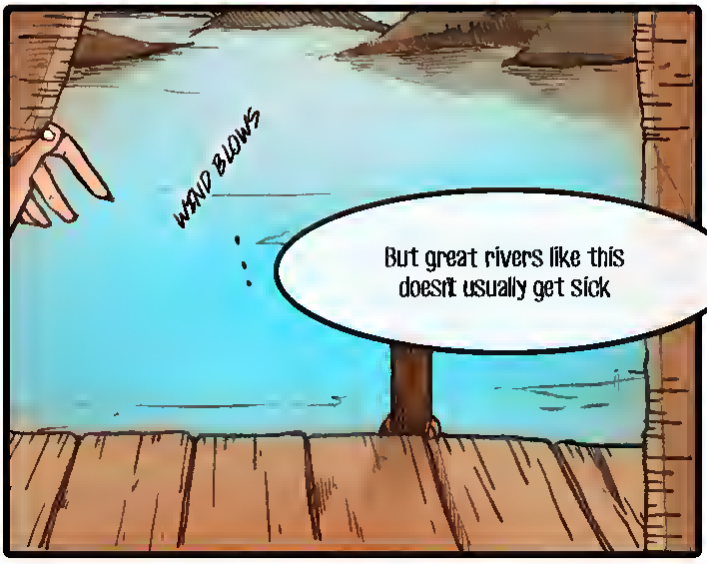
FISHY SMELL
LIKE THIS?
SCARED

Usually people think of river as the drinking water supply and considers it as a sign of cleanliness
Well, it's not wrong, but "RIVERS" are very sensitive folks

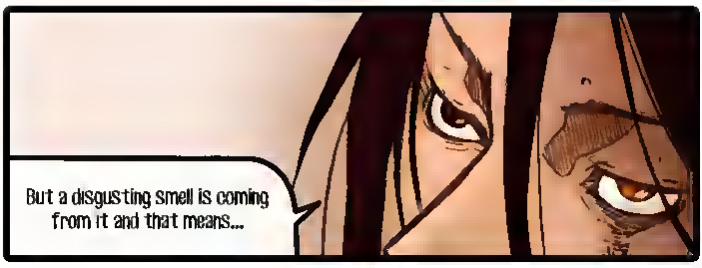
They look placid but they have a bad temper
The water attracts all kinds of things: dirty, unlucky, things
A sick river brings bad things

...This guy is talking like there is a personality to rivers?

...Look, are you saying people died because there is an evil spirit in the river?
PUSH CURTAIN
Well, something like it



WIND BLOWS
But great rivers like this doesn't usually get sick



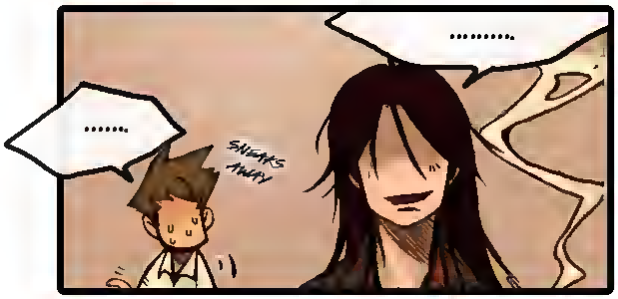
But a disgusting smell is coming from it and that means...

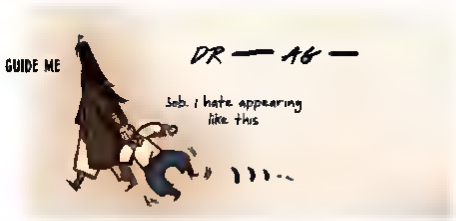
From 'AN OUTSIDE INFLUENCE'
This river has turned its way from being righteous

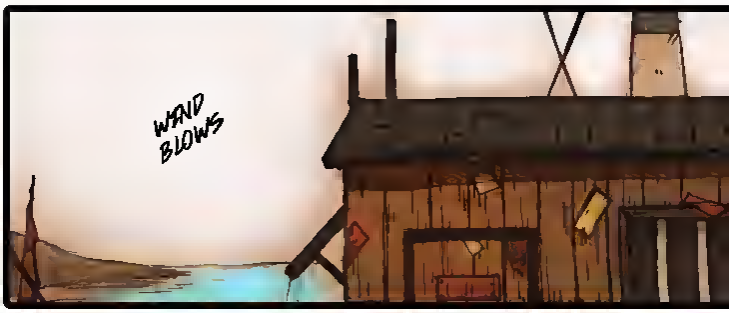
WHAT IS HE SAYING ?

Well...

IT'S NOT THAT WAY







It is unlucky

Very unlucky

How many years have there been a drought like this?

This is because Landowner is not virtuous

Has he collapsed due to sickness now?

Don't even talk about it. They cut off his son's hair after making him learn all those western teachings. After that the household became...

HE'S BEEN CURSED

It has begun again.
It's starting...
This construction is what this village clearly needs
If there was an enbankment like that, there wouldn't have been such a severe draught
It is not father's fault that the draught came!
What's going on and why is it happening to me...?

What is going on?!

Memories flash by...

Aah... No, I am just being stupid
In this world...

You are a GOD who guards this land

That doesn't make any sense...!

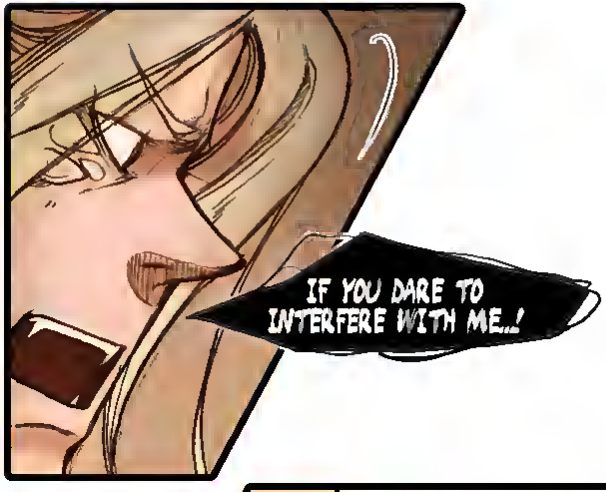
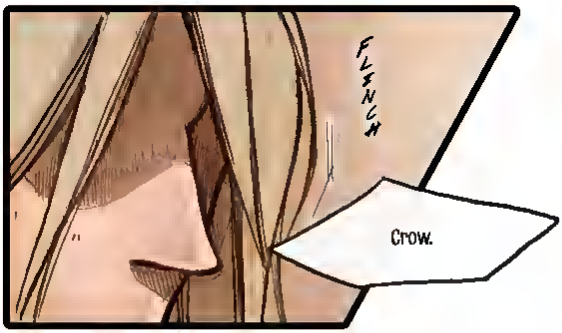
...I CAN SEE THAT YOU ARE NOT A NORMAL MAN



IF YOU DARE TO INTERFERE WITH ME..!

No. I am not going to interfere
Why should I?
MEHEHE
.....

I only want one thing
If my goal is accomplished, I will leave this place quietly
Look...people are dying. You should interfere....



FLSNCH
Crow.

Did you meet him? Crow let you loose when you were tied to the river

I'll be blunt. If you tell me where Crow is, I will turn a blind eye to whatever it is you are going to do to this village
But after I leave, I hate that fishy smell
LOOK...! WAIT!

If, if he murdered all those workers, we can't let him go! We have to tell the people in the village!
